

Provision of Religious Observance and Time for Reflection in Oaklands School

Throughout the year at Oaklands School we hold a range of assemblies where pupils and staff are involved in either religious observation or are given time for reflection.

There are 4 such scheduled events in our school calendar. These are for Easter, Christmas, Harvest and Remembrance Day.

Other religious observations/times for reflection may be added throughout the year and parents will be informed of any additional dates in advance.

Parents and young people can opt out of any religious observance assemblies and/or time for reflection assemblies and other curricular activities will be provided at that time.

This information will be shared with parents on an annual basis via the School Website.
